

Oklahoma Buyer Agreement Compliance Guide

Oklahoma's Broker Relationships Act governs how you work with buyers, and under the 2024 nationwide rules a written buyer agreement must be signed before you tour a home. Threshold gives Oklahoma agents a guided buyer broker agreement they can fill out and sign anywhere — no paperwork, no delays between meeting a buyer and getting them under agreement.

What changed for Oklahoma agents

Oklahoma agents work under the Broker Relationships Act, which sets out the duties you owe a buyer. Since August 17, 2024, agents working through an MLS also need a signed written buyer agreement before showing a home. Threshold helps you capture that agreement in the moment so a showing never gets held up by paperwork.

The Oklahoma form

In Oklahoma, buyer representation is documented with written buyer broker agreement under the Broker Relationships Act. Confirm the current version with your broker and the Oklahoma Real Estate Commission — form names and revisions change over time.

Every written buyer agreement should include

- **A signature before touring.** Agents working through an MLS need the agreement signed before showing a home — in person or virtually.
- **A specific compensation amount.** The figure must be objective and agreed with your buyer — not open-ended, and not more than you both set.
- **Clear scope and dates.** The scope of representation and the time period should be spelled out, using written buyer broker agreement under the Broker Relationships Act.
- **The buyer's signature on file.** Keep a signed copy you can produce for your brokerage or a compliance check.

A simple compliant workflow

1. **Set expectations early.** Explain buyer representation and why an agreement is required before you tour homes together.
2. **Present the agreement.** Walk the buyer through written buyer broker agreement under the Broker Relationships Act.
3. **Agree compensation in writing.** Enter a specific, objective amount you and the buyer accept.
4. **Sign before the first showing.** Capture buyer and agent signatures — then you're clear to tour.
5. **Store and share.** Keep the signed copy and export a PDF to your brokerage and buyer.
